Dear Dr. Khagen Sarma,

Kindly refer to your letter addressed to the Hon'ble Prime Minister on the subject "Development of Nepali language and Culture-regarding Nepali Encyclopaedia".

2. In this context, you would appreciate that substantial amount of research work in promoting Nepali language and culture have already been undertaken by various cultural experts from India.

3. However, we welcome your idea of preparing an Encyclopaedia in Nepali language, literature and culture by engaging scholars from both India and Nepal. As requested, you may wish to approach Nepal Sahitya Academy for names as 'Consultant'.

4. You would agree that more concrete plan especially, identifying the field of such Encyclopaedia as well as cost estimates is necessary to consider any project of such proportions.

5. Will appreciate to receive a concrete/detailed plan including cost estimates of the project to enable us to review the proposal.

Warm regards,

(Roshan Lepcha)
