Subject: **Request for Publication of the "Collected Works of Padma Shri Late Gita Upadhyay" through the Assam Publication Board.**

Respected Sir,

We, on behalf of the Nepali Bhasha Sanskriti Manch- Assam, respectfully submit this request for your kind consideration.

Padma Shri Late Gita Upadhyay was one of the most distinguished literary figures of Assam and an eminent bridge between the Assamese and Nepali literary traditions. Through her writings, translations, educational contributions, and lifelong dedication to literature, she made an invaluable contribution to the enrichment of both Assamese and Nepali languages and strengthened the cultural bonds between the two communities.

Her recent demise (13 July 2026) has created an irreparable void in the literary world. We believe that the most meaningful tribute to her extraordinary legacy would be the publication of her complete literary works in a comprehensive volume titled "The Collected Works of Padma Shri Late Gita Upadhyay", encompassing all her published and unpublished writings in both Assamese and Nepali.

We, therefore, earnestly request the Government of Assam to kindly direct the Assam Publication Board to undertake the editing, compilation, and publication of her complete works as a special commemorative project. Such a publication would preserve her invaluable literary heritage for future generations, promote bilingual literary exchange, and serve as a lasting tribute to one of Assam's finest literary personalities.

Our organization would be pleased to extend every possible academic and literary assistance required for the successful completion of this important initiative.

We sincerely hope that, under your visionary leadership and continued commitment to the promotion of literature, language, and culture, this humble request will receive your favourable consideration.

With highest regards.

Yours faithfully,

For Nepali Bhasha Sanskriti Manch-Assam
